**NEWS BRIEF**  
**AUGUST 2025**

## **NEW INTERCOM DOOR ENTRY SYSTEM FOR BLOCK TWO.**

The repair and upgrade of the existing Door Entry System in Block Two has proven to be prohibitively expensive and has therefore been rejected.

A new system will be installed that connects to a resident's mobile phone when a visitor presses the Intercom button at the entrance. Each apartment can register up to two mobile numbers. If the Intercom button is pressed and there is no response within 15 seconds, the system will call the second mobile number.

The installation for the new system is scheduled for the weekend of September 6<sup>th</sup> and 7<sup>th</sup>. Following that, Sandown Court Management ('SCM') Staff will undergo training for the management of the system and the installation of the mobile telephone numbers.

It is vitally important that every resident informs SCM of their mobile telephone number/s.

Residents of BLOCK TWO, please insert the details shown below into the link provided and send.

- Tenants Name/s
- Apartment Number
- Mobile Number One
- Mobile Number Two

Please note: if you do not supply a mobile number then you cannot be contacted from the new intercom system to be installed in reception.

Thank you for your patience.
